## Course Description

- Welcome to Creative Writing! This introductory course has been designed to help students explore the creative process through writing. This is a workshop course so there will be a lot of experimental work in class, a variety of assignments that encourage you to try new things, and a focus on developing your own, unique writing style. Collaboration, revision and enthusiasm are the keys to success in this course, so please bring a positive attitude to class each day.

## About the Instructor

- Ms. Ripley grew up in Indianapolis and graduated from Purdue with a degree in Professional Writing. She worked in the Creative Department at Bradley and Montgomery ad agency for 2 years before becoming a teacher. This will be her second year as a Fishers High School English teacher.

## Supplies

- **Electronic Device:** Please bring a charged device with Wifi access daily. Phones are not acceptable!
- **Writing Utensils:** A pen or pencil is required every day.
- **Organizational System:** You must keep track of your own notes, but you may choose a system that works best for you. Store your class notes in a binder, notebook, paper folder, or computer space.

## Units of Study
